VOLUME 36

MARYVILLE, MISSOURI, WEDNESDAY, NOVEMBER 16, 1949

NUMBER 5

Registration
November 29

College Drama Students Will Present Anderson's Joan of Lorraine

Featured in Title Role Will Be Ivoldene Crabtree of New Hampton

Bill Elam of Maryville Is
Scheduled to Play Part
Portraying Director.

Dates Are December 8, 9

Costumes Worn by Original Cast
May Be Used by Campus Actors.
According to Mr. Robert Gee.

College playgoers will have an opportunity to enjoy a production which has been a recent Broadway hit and a feature movie when the Dramatics Club presents Maxwell Anderson's "Joan of Lorraine" December 8 and 9.

Featured in the title role will be Ivoldene Crabtree, a sophomore from New Hampton. Ingrid Bergman had this part in the play and in the movie version of the drama. Bill Elam, a senior from Maryville will characterize Jimmy Masters, the director. Sam Wanamaker starred in this capacity in the Broadway hit.

Was Written for Ingrid Bergman
"Joan of Lorraine," which was written especially for Miss Bergman, is unusual in several ways. In it each actor plays at least a dual-role, that of an actor and that of one or two characters.

Another thing that is different about the play is that although it is a play in two acts, it is not formally sub-divided into scenes. Only twice is the curtain used.

Tells Story of Joan of Arc
"Joan of Lorraine" tells the story of Joan of Arc and follows her life from the time she first heard her voices until her execution. But it is also a story of a group of actors trying to portray the life of Joan of Arc. The entire action supposedly takes place during a rehearsal of a play about Joan of Arc.

Much of the action of the play would seem to be informal and spontaneous but instead of lessening the dramatic effect, the comparison of the problems of modern day living and those which faced Joan only serves to highlight the dramatic quality of the story.

Hollywood Featured It in Movie
The play was first produced in Washington D. C., October 29, 1946, starring Ingrid Bergman and Sam Wanamaker. After a successful run on Broadway it was made into the movie, "Joan of Arc." Efforts are being made to obtain the costumes worn by the original cast for the performances at the College.

Besides playing Joan, Miss Crabtree will also be Mary, actress. Mr. Elam will enact the role of the Inquisitor.

Other members of the cast will be Al, the stage manager (Thomas de Courcelles), Herbie Awe, Tessie, the assistant stage manager (Aureole), Sue Condon; Marie the costumer, Carolea Pritchard; Gardner (Bertrand de Poulengy), Dollner (Pierre d'Aro), Jack Price; Long (Daniels) and Jacques d'Aro, Jim Poole; Cauchon, Bishop of Beauvais, and Sheppard (Alain Chastier), Andy Runge.

Jim Hill will play Charles Elling (Durand Laxard); Robert Lister, Jo Cordwell (Jean d'Aro) and Jefferson (Georges de Tremolles); Charles Newton, Quirke (St. Michael) (de Estivo), Farwell (Jean de Metz); Alyce Whitlatch, Miss Reeves (St. Catherine); Barb'r Bolinder, Miss Sadler (St. Margaret); Monty Pitner, Noble (La Hire) Champlain (Father Musseau); Charles Rupe, Les Ward (the Dauphin); and John Pope, Kipner (Regnaud de Chartres, Archbishop of Rheims).

Director for the production will be Mr. Robert Gee of the speech department.

Dramatics Club Enjoys Musical Comedy in K. C.

Dramatics Club members went to Kansas City last Wednesday to see "Inside U. S. A." starring Beatrice Lillie. This musical comedy is one of the recent top Broadway hits, having long runs both in New York and Chicago.

The title of the play was borrowed from John Gunther's best seller, "Inside U. S. A." Besides Beatrice Lillie, who has won her place on the stage as one of Broadway's finest, the cast included Lew Parker, Gloria Gordon, and Olga Lunick.

Members of the Dramatics Club that attended were Ray Nixon, Sue Condon, Jack Price, Monty Pitner, John Pope, Jim Poole, Bob Lister, Betty Hudson, Bill Elam, Agnita Wohlfahrt, Jo Ellen Wilson, Beonna White, Barb'r Bolinder, Jean McCullough, Ivoldene Crabtree, Dwan Wick, Betty Davis, Virginia Bird, Mr. and Mrs. Robert Gee.

House Passes Bill

According to an Associated Press report from Jefferson City, the House passed a post-war reserve fund appropriation bill carrying \$800,000 for a classroom building at the Northwest Missouri State College, Maryville. The bill also carried an additional fund of \$225,000 for repairs. The bill now goes to the Senate.

The bill carried a total of \$15,763,849 for building programs at state institutions.

Army Pay Increase Affects Local Unit

Captain Liddle Announces
Raise for National
Guard Members.

Because of the pay raise of the armed forces, recently approved by the 81st Congress, a new pay scale for each drill night in the National Guard unit is now in effect.

Captain John W. Liddle, Commanding officer of Headquarters Battery 129th Field Artillery Battalion, gives the following data. This scale is computed on the basis of less than two years' service, and the yearly total includes 15 days' summer encampment.

Salaries Are Listed
Master Sergeant, Grade I, \$6.62 per drill, \$27.06 yearly total; Sergeant First Class, Grade II, \$5.64 and \$35.52; Sergeant Grade III, \$4.66 and \$23.58; Corporal Grade IV, \$3.92 and \$24.66; Private Grade V, \$3.15 and \$19.45; Private Grade VI, \$2.75 and \$17.25; Recruit, Grade VII, \$2.67 and \$16.82.

Many college students are members of the local guard unit. According to rank, they are as follows: Master Sergeant, Edwin Emerson; Sergeant First Class, Jack Brown; Sergeants Grade III, Roy Lilley and John Supina.

Many Students Are in Group
Corporals, Gerald Bennett, Ralph Blank, Herman Boswell, Darrell Diggs, Richard Elliot, Donald Hoffman, Robert Laughlin, Kirby Lyle, John Price, James Warner.

Private First Class, William Burnham, Donald Dougherty, Richard Franks, Homer Hague, Glen Price, Robert Ramsey; Privates, George Barratt, Robert Robinson, Bob Southard, James Ward; Recruits, George Coulter, Courtney Goforth, Russell Gordon, Ivan Haston, John Hoerath, Veldon Holaday, Bill Mason, Robert Peters, James Reynolds, Henry Sparkman, Dwan Wick, Maurice Williams, Carroll Cox.

Student Teachers Visit District High Schools

Mr. Buford Garner, supervising instructor of business at Horace Mann high school, accompanied Marilyn King, Herman Freel and Gene Ceglinski, student teachers, to Mound City and Craig Monday, November 7, where they spent a half day at each high school observing the business departments and extra curricular activities of the schools.

Tuesday, Mr. Garner, Irving Silver, Alan Robb and Don Prindle spent a half day at Rock Port High and the remainder of the day at Fairfax High.

Arrangements for the visits were planned in advance to make it possible for the student teachers to observe as many classes and activities as possible.

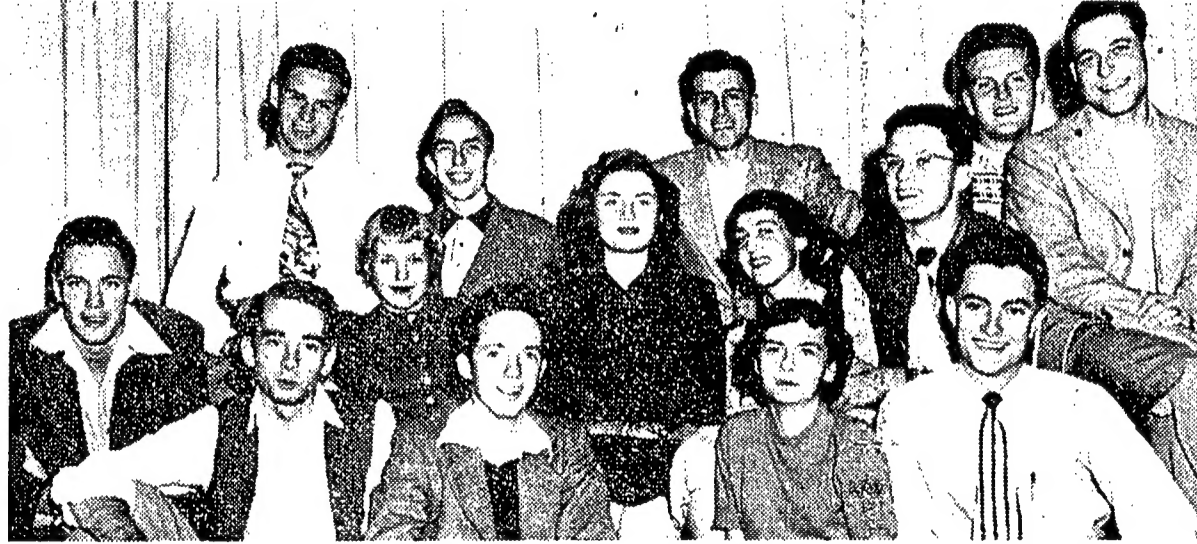

The students found out what the superintendents expect of a business teacher and how they expect teachers to apply to them for teaching positions. Complete reports of the trips were made by the students and filed with Dr. Clifford Bishop, head of the education department.

Claude Thompson, State College Alumnus, Dies

Claude K. Thompson, age 48, of 4810 Broadway, Kansas City, Mo., a native of Barnard and former Northwest Missouri educator, died Sunday afternoon after he collapsed at the home of a brother, Zell W. Thompson, in Kansas City. He had been in failing health four years.

Thompson was a graduate of Northwest Missouri State College, Maryville, and in 1934 received an M. A. degree from the University of Missouri. He became principal of the high school at Conception Junction, Mo., in 1920. He later was principal of the high school at Burlington Junction, Mo. He was a Mason and a member of the Country Club Christian church.

These Players Cast Recent Broadway Hit

Students will have the opportunity to enjoy the recent Broadway hit "Joan of Lorraine" which will be presented by the Dramatics Club, December 8 and 9, in the College auditorium. The cast is as follows: back row, left to right, Herbie Awe, Monty Pitner, John Pope, Bill Elam, Jim Poole; second row, Charles Newton, Alyce Whitlatch, Ivoldene Crabtree, Barb'r Bolinder, Andy Runge; front row, Jack Price, Bob Lister, Sue Condon, and Charles Rupe.

Independents and Tri Sigmas Tie for Trophy

The Independent club and Sigma Sigma Sigma sorority tied for possession of the supremacy trophy, which is awarded to the organization receiving the most points for all around participation and cooperation spirit during Homecoming.

Alpha Phi Omega ran a close second, with the Delta Sigma Epsilon and Alpha Sigma Alpha tying for third place.

These five organizations were close and were ahead of the other organizations on the campus.

The supremacy trophy is decided on a point basis. Each organization received points for Homecoming activity. Those receiving awards in the variety show, house decorations, parade participation, functions for alumni and special awards received so many points depending on the award they won.

In adding up the points the deciding factors were all around participation in Homecoming and cooperation during and after all Homecoming activities.

Mr. Johnson Announces New Library Facility

Mr. James Johnson, College librarian, has announced additional details on the newly arranged facilities of the Instructional Materials Bureau at the Library. Although the service is not entirely new, aid to instructors will be more efficient through increased space and materials.

Room 1 has educational display materials; Room 2 is a reading and conference room; and Room 3 holds the vertical files and IMB books. The IMB (Instructional Materials Bureau) has as its purpose the collection of teaching matter, text books, teaching manuals, reference books, pamphlets, exhibits and films. This service is for the use of the faculty in adding them with class assignments. Mr. Johnson has asked that instructors wishing to use the bureau get their requests in to Miss Leona Funk, IMB director, a few days before making assignments so that she may aid them more satisfactorily.

Regents Approve Student Union!

Dr. J. W. Jones Announces
Plans Which Include
New Dormitories.

A half million dollar building program has been authorized at the College by the regents who met Friday, prior to the Maryville-Warrensburg football game.

May Include Dining Facilities
According to Dr. J. W. Jones, College president, the regents authorized him to employ architects to draw up plans for a student union building and two dormitories, each providing facilities for 50 girls and 50 boys. It is anticipated that dining room facilities will be provided in union building; which will take the biggest share of the fund.

Dr. Jones said that the College will utilize \$250,000 of a state fund already provided that will be matched by a like sum from the College.

The College hopes to begin construction early next spring. Boschen and Kinder of St. Joseph, a firm of architects, were employed to draw up the plans.

According to plans, the men's dormitory will be erected to the south of the Men's Quadrangle and the facilities for the women will be an addition to Residence Hall for Women.

Guests at Grid Game
The Student Union building probably will be located south of the administration building.

Board members present at Friday's meeting were M. E. Ford, Maryville, president; Alan F. Wherritt, Liberty; A. B. Kammerer, Chillicothe; R. L. Douglas and J. V. Gaddy, St. Joseph.

Regents and their wives were guests of Dr. and Mrs. Jones at a noon luncheon and also at the football game.

Horace Mann Students Will Hear Philharmonic

Horace Mann students in band and orchestra will take a trip to Kansas City, November 18, to attend the Kansas City philharmonic.

The concert will be given for children of the Kansas City area, and is planned to give them the chance to see and hear a large symphony orchestra. Mr. and Mrs. Thomas Pierson and some of the Maryville children's parents will accompany the group.

1949 Supremacy Trophy Should Have Been Twins!

Pictured above are officers of the Sigma Sigma Sigma sorority and the Independent Club, the two organizations tying for possession of the Homecoming supremacy trophy which was awarded on the point system of participation and cooperation. Top row, left to right, are Betty Davis, Ruth McDowell, Margaret Berry, Bill Elliot, Oretta Kulpmeyer, and Lois Long. Bottom row, left to right, are Lois McDermott, Jean George, Helen Fisher, Lucile Bithos, Monty Pitner, and Chuck Newton.

Biology Students Visit Game Reserve

Four Observe Water Fowl
Living in Squaw Creek
Wild Life Sanctuary.

"Very interesting" was the consensus of the field biology class which made a recent visit to the Squaw Creek wild life reservation area located near Mound City. Included in the group were Mack Jackson, George Williams, and Jim Allen accompanied by Dr. Irene Mueller, the instructor.

The purpose of the expedition was to study water fowl living in the area. The group arrived at the scene early in the afternoon while the birds were settling before their migration to feed. Thus they were awarded a good opportunity to observe many birds. They saw Canada geese, several species of ducks, mostly mallard, pelican, coot, heron and many other varieties. They also saw muskrat, evidence of beaver, and even happened upon a three point buck deer. Yes, they really had a field day observing the wild life.

It seems that the class was impressed by the vast outlay of the Squaw Creek area, estimating it to cover several thousand acres. It is located in the flat land of the Missouri River valley.

The ponds and lakes were made by a system of dams and dykes and some crops are even grown in the lake area for food for the game.

They also noted that the farmers living in the district have their own private ponds. Naturally, the ducks and geese may be enticed to leave the protection of the preservation area and fly where they may be eligible for blasts from hunters guns.

Art Students Display Miniature Menagerie

Buffaloes, elephants, swans, and dogs! They are all right here in the Administration building. Perhaps some one should call the State Game Commission.

In actuality, though, these wild and supposedly ferocious animals are displayed as work from one of the art classes. On one side of the stairs as you go down from the auditorium there is a glass case which serves as their refuge.

Artistically speaking, the various figurines of the animals and human caricatures are just so many potential bubbles, for they are created from bars of soap. One, a beautiful swan, arches its lovely neck in symmetrical elegance. This is by Betty Ann Wilson. Mary Burger's carving of an Indian elephant looks real enough to raise havoc in tranquil surroundings. A human figure, fashioned by H. L. Judd, seems to be gracefully reclining on her pedestal. These are but a few of the two dozen or more contributions to the "Introduction to Art" class.

Within this same case, and products of the same class, are beautifully decorated boxes of various sizes and shapes. All designs are original creations of class members.

Miss Jutten Talks to P. E. Majors

The majors of the women's physical education department met Monday evening, November 7, at the apartment of Miss Bonnie Magill, 311 West Third. The purpose of the meeting was to discuss the organization of a "Majors" club on the campus. Miss Jessie Jutten talked about her European trip, one of the high points being the Linglad held in Stockholm, Sweden.

Professor Raymond Moley Will Be First Assembly Speaker Next Term

RAYMOND MOLEY

As Writer For Newsweek,
He Has Become Widely
Known in Nation.

Was in State Department

Served as President's Adviser;
Assisted in Preparing Public
Papers and Legislation.

Raymond Moley, writer on political and economic affairs in America, will speak in assembly, Monday, December 5, at 10 o'clock. Mr. Moley is now professor of Public Law at Columbia University.

Professor Moley's special page "Perspective" in each issue of Newsweek magazine is read by millions throughout America. His newspaper column on public affairs is syndicated throughout the nation.

Campaigns for Better Government
The lecturer has devoted thirty lively years to journalism and a personal campaign for better government. He served as Candidate Roosevelt's first assistant in matters of public policy during the 1932 campaign. In Roosevelt's first term, he served as the President's major adviser and assisted in the preparation of messages, legislation and public papers.

He is author of many books, including "Parties, Politics and People," "The Outline of Government," "Tribunes of the People," "After Seven Years," and others. He has contributed articles on politics and national affairs to leading periodicals here and abroad.

Was Assistant Secretary of State
A native of Ohio, Mr. Moley received a Ph. D. degree from Baldwin-Wallace College in his home town of Berea, an A. M. from Columbia, and L. L. D. degrees from Baldwin-Wallace and Washington and Jefferson colleges. He has served as assistant professor of politics at Western Reserve University, a director of the Cleveland Foundation, and as associate professor of government at Columbia. He was appointed Assistant Secretary of State in 1933 and was instrumental in inaugurating many of the best social and political reforms of the early Roosevelt administration.

He left politics to organize and edit Today magazine which was merged with Newsweek in 1937. Active as Americanization director in Ohio in the first World War and on the New York State Crime Commission and other public commissions, he has directed surveys in social conditions in various states and on a national level.

Yvonne Yeater Writes
About Trip to Holland
Yvonne Yeater, Class of '46, writes the following from Holland: "I'll never forget my first glimpse of Holland. The green grass with cows grazing and windmills actually turning and little boys fishing on the dykes and waving to us as we went by. It was six o'clock before our little tugboats got us shovored into the dock... Amsterdam, a beautiful city. We took a trip in a glass boat over all the canals and saw, among other things: the house where Rembrandt lived, old buildings built back in the 15th century, including one of the original storehouses of the East India Trading Company, and the home of a big slave trader.

"Thursday we went to see the Rembrandt collection. I had no idea they would really be so beautiful. They are huge canvases with as many as 25 life-size figures in glowing colors. Now I see how the man got his name. Friday we went to another museum and saw the Van Gogh collection which were more modern but also brilliant.

"Everywhere we were treated with respect and honor simply because we were Americans. They are very grateful to the people who liberated them.

"P. S. Do you know what a typical Dutch supper is? Bread, cheese and tea! We've found the same thing in every home we've visited. They drink tea or coffee every two or three hours—lovely people! Business firms hire a special girl just to make the coffee every morning and afternoon."

Bookstore Staff Is Ready for Business

Service and Cooperation
Are Shown by Students
Throughout Day.

Merchandise that the students want to buy is found in the College bookstore - postcards, College pennants, cough drops, sweaters, candy, peanuts, ice cream, cigarettes, postage stamps, lunch, cold drinks, coffee, milk and school supplies.

Mr. John Wolfe and his staff are ready to serve from 7:30 a.m. until 4 p.m. There is seating space for 56 customers.

Staff Has Much To Do
Every day members of the staff serve more than 350 cups of coffee, 250 glasses of milk, 15 dozen rolls, 26 dozen doughnuts, 3 gallons of soup, and 12 loaves of bread. They keep the store clean, give speedy service and always have the sugar containers and napkin holders supplied.

Each quarter they issue several thousand text books and all of the veterans' supplies. They also handle all incoming freight and express for the College.

Politeness Is Stressed
Politeness, service and cooperation are stressed by Mr. Wolfe. He requests the same from the patrons of the store. Students are expected to return all empty bottles and dishes to the counter and put used napkins in the handy disposal containers.

Students on the staff are Patricia Agan, Chillicothe; Don Anderson, Atlantic, Iowa; Phyllis Bender, Matland; Joyce Bush, Maryville; Gene Ceglinski, St. Joseph; Diane Dressler, Chicago; Helen Fisher, St. Joseph; Margaret Ford, Lennox, Iowa; Mary Margaret Hartman, Barnard.

Ruth Holbrook, Oregon; Ken Jones, Atlantic, Iowa; Harland Judd, Maryville; Marilyn Judd, Maryville; Margie Ketchum, Clarksdale; Shar-lis Marple, Albany; Mary Lou Rockwell, Mound City; Mary Virginia Scott, Maryville; Dorothy Smith, Hopkins and Jo Ellen Wilson, Maryville.

Kappa Delta Pi Checks Records of Candidates

A meeting of the Kappa Delta Pi fraternity was held on October 31, in the Bearcat Den, with Bill Christensen presiding, and Dr. John L. Harr and Miss Katherine Franken present as sponsors.

A list of about twenty students was discussed for prospective membership. Plans were made to check the scholastic standing of these people along with leadership abilities and other qualifications which are necessary for active membership.

The candidates qualified for membership will be informed in the near future.

Plans were also discussed to have the president speak to the freshman orientation group about what Kappa Delta Pi means on the College campus and what is needed for membership.

It is the hope of this organization that freshmen will learn the advantages of preparing early to be candidates for this organization, which is comparable to Phi Beta Kappa with the exception that Kappa Delta Pi is open only to those in the field of education.

Make Business Trip to Kirksville
Mr. H. V. Neece, business manager of the College and Mr. M. E. Ford and Mr. A. B. Kammerer, both members of the Board of regents, made a business trip to Kirksville, Friday, November 4.

Gercken Makes Christmas Cards
Leonard Gercken, a freshman from Atchison, Kansas, will be selling personal imprinted Christmas cards this year. He will imprint names on the cards with his own printing equipment.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

NEW BAND UNIFORMS

When you saw those green and white plumes coming down the street, did you think it was super-mai, or super-band? It was really just those super-sharp band uniforms. The plumes on top are removable, thank goodness, because of the low bridges. The military garrison caps are astounding, in three sizes—too large, too small, and just right.

One of the best features of the uniform is the marine collars. No neckties or clean-dirty white shirts to worry about! The coats are undoubtedly the West Point military style, with two rows of buttons down the front. One can wear an under shirt or a couple of sweaters or anything warm underneath the coat, according to the weather and size. The coat has one inside pocket and the trousers have four. Stripes are down the sides of the trousers. Belts or suspenders may be worn; accommodations are present for both. A large white leather belt, with a sparkling silver buckle, sets off the uniform. Brown shoes and warm socks are worn on the feet.

All in all, these are the most effective uniforms we have seen in a long time, costumes the band has done without for too many years. We appreciate them very much and think it is a pleasure to have and to wear them. The material is good goods!—Rex L. Moyer.

EVERY STUDENT GET A STUDENT

"Every student get a student." The slogan that has been featured at the College this fall means more than just the five words of which it is composed.

Analyzed, well, you know as well as I, that every student means you, me, and every student of this campus. Get a student—that means just what it says, too, but it is up to the student body, not as a whole, but individually, to get that student!

As individuals, from many different high schools, we know many of the prospective students that are eligible for college. We have to meet them, tell them about our college, see if they are interested and try to persuade them to try Maryville. All is for our welfare as well as theirs. More students will make a bigger and better college. A better college is to our good. The policy is sound. Try it, and "Every student get a student."—Myron Mock.

HOMEcoming AFTERTHOUGHT

I believe that it would be a good idea if, after the Homecoming parade each year, the floats would be pulled out to the edges of the football field and left during the game. I am sure that many people would greatly appreciate getting to see the floats for more time than they do in the brief interval while the floats pass by them in the parade.—Richard Gordon.

EXAMINATION SCHEDULE

Monday Evening, November 21

St. Louis Suburb Has Owen Thompson for Mayor

Owen E. Thompson, principal of elementary schools at Wellston, a suburb of St. Louis, was recently elected mayor of that town. He expressed his opinions of how a town should be run and was nominated for the mayorship by citizens of Wellston who were in agreement with his ideas.
He received his degree at the College in August, 1937. His sister, Opal and three brothers, Lawrence, Claude, and Ben all formerly from Ravenwood received degrees here and another brother, Zellis, attended the College, taking preparatory courses before entering Missouri University.

Step Right Up— Join the College Band!

The College band wants recruits! Membership in the band is open to all who played in high school bands, regardless of college major or minor fields.

The band is made up of ex-high school players just like many others in the student body—just like "you." It is the desire of the administration and the music department to increase the size of the College band. Toward that end, we need all you students who enjoyed playing in your high school bands.

If you're out of shape, don't worry; it won't take long to "get that hip back," and we guarantee not to embarrass anyone because of lack of ability or recent practice.

Mr. John L. Smay will be available outside Room 114 on registration day. Step right up and join the band. If you enjoy "making music," we guarantee you a fine time—concerts, trips, fine uniforms, college credit, and a relaxation from the duties of college life.—Member, The College Band.

Hilltop Highlights

Academically Speaking
DR. HARRY OVERSTREET'S talk was enlightening last Monday at assembly. The big question now is "Have you a mature mind?" A week from today this question will be answered for many a bewildered student. FINALS, you know! ... The rumor is that PHYSICS 61a isn't so tough the second time ... Who said you can't study and have fun too? ... ANDY "ALL E" RUNGE is a perfect example disputing the theory ... Keep up the good work, Andy ... Wanted! A little backing and cooperation for your STUDENT SENATE. Let the Senate know you are behind it!

Beacat Briefs
FOOTBALL is over now and it was a fairly good season ... What say we give the boys a hand for their work and spirit ... From the echoes of the hardwood court it sounds as if we are off to a fine start ... Much new talent on the squad, so the rumor goes ... It is good to have some of the football boys back in the Bookstore with that fearful look out of their eyes ... Eat, drink and be merry, boys: the COACH can't hurt you now ... The INTRAMURAL staff is working hard to bring a bigger and better basketball season to all the organizations ... FAMOUS LAST WORDS at the pool ... Come on in, fellas, the water isn't very ... GLUG! GLUG!

The Social Spotlight
The TRI SIGS are going to a party this week end ... the COUNTRY CLUB ... The lovely ones are having a formal dance ... It is a bit early and the returns are not all in, but from the SOUTTEBUTT going around, several of the fems managed to snag a few males this past SADIE HAWKINS week ... Everyone seemed to enjoy themselves ... Next on the school social calendar is the CHRISTMAS BALL ... Make your dates early, or do you go steady too? ... A few of the CAMPUS COUPLES ... J. D. Elliot and Phyl Crawford ... Bob Brandt and Jean George ... John Carlson and Mary Peck ... It seems that spring fever is a twelve months affliction on the campus ...

After Hour Stuff
Up to 410 N. Fillmore, where pinocle is king until the wee hours of the mornin' ... AT 510 N. FILLMORE, same wee hours, but with a cribbage board as the attraction ... A week from now all the towns around will welcome back their young ones for a few days ... Here's wishing all a

Platter Notes .. by Johnny

Attention! The regular meeting of Johann's Musical Depreciation Society will now come to order! Any complaints are over-ruled!

Do-re-mi-fa-feel like singing? Well, Frankie Laine usually does, and he does so on a new cutting called "Mule-team." I don't particularly care for it, but you, Laine lovers will go for this unusual number. Like Como? Like Eckstine? Then you'll love a fella named Johnny Hartman. A newcomer, Hartman is destined for a great future with records like "Easy to Remember" and "Home" to pave the way.

Nauseating Note: Ever hear Ernest Tubb's rendering of "White Christmas?" DON'T!

Woody Herman again tops the dance parade with a beauty called "Tenderly." Seems as though this is Randy Brooks' theme, but there is an ocean of difference. Wait'll you hear Johnny Mercer's "The Petty Girl!" Wow!

You frequenters of that den of ... hounds, "Burntwood," have probably heard one of those waxings I mentioned last issue, "Little Rock Getaway." Sounds good, doesn't it?

Bop-space is limited, so just take a listen at Serg Chaloff and his "Bopscotch!" Gooo, man!

Extra Extra! My boy Kenton is back on the bandstand. He has given up studying psychiatry for the biz which will probably give him loose connections topside. Stan will have 40 members in his new aggregation, complete with strings, no less.

Our classical selection assignment for this time, students, is "Daphnis et Chloé" by Ravel. It is a musical masterpiece. Say, I'll bet he'd make a real 'ent were he alive today.

I'll be diggin' you students (?) later! (If I pass!)

People Get Wise About Themselves

Dr. Harry A. Overstreet
Discusses Growing Up
Emotionally.

Dr. Harry A. Overstreet, member of Town Hall staff, social philosopher, educator and psychologist, told an audience at Northwest Missouri State College Monday, "What We Owe Ourselves as Human Beings."

"If we are ill," said Dr. Overstreet, "we seek the best medical advice that we can find because physically that is what we owe ourselves. The same thing should be true psychologically. We may be nuisances to our friends because we are psychologically ill but are unaware of it ourselves. This psychological sickness is the cause of juvenile delinquency, frustrations which cause divorces."

Wise About Ourselves

Dr. Overstreet said, however, that he had good news. "For the first time in history we are at a point where we are wise about ourselves. We are beginning to learn that there is a hygiene of the mind as well as the body. Through understanding and use of this knowledge in regard to the mind, we can forestall depressions, frustrations and hostilities among nations."

Dr. Overstreet said that it is only today that "we are beginning to understand ourselves. The early sciences were far removed from mankind. Over 1,000 years of knowledge as to the science of mathematics, physics, chemistry, biology, physiology had to be matured before we could reach the science of psychology."

"It is a very remarkable thing," said Dr. Overstreet, "that we can have a knowledge of ourselves which has been unknown before."

According to Overstreet, the troubles of the world come out of people—people themselves are not adequate for the job that they do here on earth. Most people do not go through the full curve of growing up. People grow up chronologically but not emotionally or mentally. The most important fact to know about a person is how old he is psychologically (mental and emotional maturity) rather than how old he is chronologically.

Immature Are Dangerous

Immature people are dangerous. A child mind in an adult body causes much of the strife in the world. Adolf Hitler was an immature man; he was emotionally, mentally, socially immature and ignorant of the right thing to do. Goering was an immature snob and the rest of that gang was immature.

The clue to the cause of all our troubles is in the following quotation from Dr. Chisolm, a well known psychologist: "So far in the history of the world there have never been enough mature people in the right places." The diplomats of governments are immature, parents are immature, teachers are immature and therefore you have the rising generation immature, Overstreet said. He continued:

"If you have parents who are immature, the children of those parents will grow up malformed and they will be immature."

"A teacher, neurotic herself, takes it out on her students by making pets of some and exercising her sadism on others."

"The United Nations, from which we expect so much, has not reached those expectations because it is full of old habits—each nation fighting for itself and no one fighting for the common welfare because of immature minds."

Curve Is Downward

"The whole process of growing up is the most fascinating and interesting thing there is today. We're beginning to know that all life begins with infancy and in the first years the child learns a lot, in adolescence he learns a lot, and in the young adult age he learns a lot. All during these years the curve of growth is growing upwards. But instead of the mind continuing to grow during adulthood and for as long as life, the curve tends to taper off and turn back and down. "Most adults live on a flatland. They stop growing and remain at a certain level instead of continuing to mature all their lives."

"The mind that is truly aware in this world knows that there is much that it needs to know. When you find a mind that says first, 'I've got to find the facts, that mind is alive and it will continue in the upward curve. A mind that is alive is much more interesting.'"

An Exchange of Ignorance

Dr. Overstreet described political talk among people as an exchange of ignorances with complete mutual satisfaction.

There are several curves of growth, he said. Important among these is the growth from ignorance to knowledge; the growth from egocentricity to sociocentricity; and the growth from no responsibility to more responsibility.

Dr. Overstreet said that the following three things are "what we owe to ourselves: Knowing what it means to grow up; putting ourselves into a position where we are able to grow up; and not allowing ourselves to hinder the growing up of others."

In conclusion he quoted Christ: "I came to bring life and to bring it abundantly." Psychologists are beginning to realize that this is the clue to how we rid ourselves and our world of hostilities and frustrations, Overstreet concluded.

EVERY STUDENT
GET A STUDENT

The Stroller

"Give me five minutes more, only five minutes more" will be the chant popular on this campus when all of us will be forced away from our "gramming" material for those final "nerve breakers" less than a week away.

Ah yes, there has been a tinge of excitement in the air even preceding these morbid days to come. With Hallowe'en just over, the Stroller has a few comments to make. A mysterious voice called a certain blonde on West Fourth street, sang the "Hucklebuck," and wished her a happy birthday.

It is rumored the new fence around the football field is to keep us in and not out. It looks as if we pay from here on. It is also rumored that Max Hochenauf has his roommate, Bud Lemon, convinced that the dollar will buy more today than it would a few years ago.

Smoking will never be the same any more, especially during assemblies. The reason for this is of "raising" importance to both students and janitors.

The gang in Mr. Phillips' Education 115 reports that the bank is low on money. Perhaps there is another depression on the way.

A few incidents of importance: Hans Leyer is quickly getting a new slant on American "boyys." Leland Hofer is the pride of the foundry at the I. A. building. Some bookends Leland! Mr. Gee is telling the play cast all of the French pronunciations. The Stroller thought his field was speech!

Gabe Cox is now convinced that steel is harder than a man's head. In fact, Gabe was kept very busy lately visiting Vivian Kowitz who was in the hospital for an appendectomy.

Ye Olde Stroller had an exciting season watching all those football men eat in the bookstore. Speaking of observations, he believes Coach Milner knows hand signals! What do you believe, Dutch?

There may be changes in the school and changes on the campus, but the Stroller surely notices the change at Residence Hall. Jack Frost and a little bit of Old Man Winter's wrath have driven the scenic 10:30 views into the lower hall!

Charlie Newton is glad that Sadie Hawkins Week is over. A certain female shyly approached him and asked if he had a date for the dance Saturday night. "No!" said Charlie and then listened to "Well, don't worry, somebody will ask you!"

The Stroller was awakened Sunday morning to see two bearded men staring at him. Two friends of Herbie Awe and Bob Cascio stopped in on their way back to Chicago from Alaska.

She was very glad to see such a nice turn out of parents on Parents' Day last Friday; we have to keep their impression high of us, don't we, Gang?

Well, lo and behold, 'Tis time I rush this bit of "belles lettres" to press. See you in the Final Exams!

SENATE NOTES

The Student Senate convened on Thursday, November 3, in the Beacat Den with President Sam Carpenter in charge. The following matters were discussed:

A reward of \$25 was granted to be set aside for anyone giving information for the arrest and conviction of the thieves who stole the Homecoming flags.

An invitation was received from the student convocation of Kirksville to an open house following the Maryville-Kirksville football game. The invitation was accepted.

Herbie Awe and Jack Price were approved as co-editors of the Northwest Missourian. Dean Boggs was appointed in charge of the bulletin board to see that only proper notices appear thereon. Kenneth Parsons was commended for his work on the concession stand at the Homecoming game.

It was suggested that the lights on the library lawn should be checked so as not to blind motorists.

Ten Years Ago

Mr. Sterling Surrey held night classes in salesmanship at the high school every Monday night for five weeks.

The Dance Club gave an assembly with the aid of the speech and music departments. Russian Hopk featured new type of original program. This club consisted then of fifty-one members, eleven old and forty new.

Caravan of busses and cars left the College to support the Beacats at Warrensburg. This was the second consecutive year the squad won the M. T. A. A.

Class in astronomy observed the heavens, under the supervision of Miss Helwig of the mathematics department. Later in the evening she passed a box of chocolates around to the class.

"Every Student Get A Student" is the slogan for '49!

World Affairs

Question: Who was elected President of the UN General Assembly?

Answer: Brig. General Carlos P. Romulo, Philippine representative, was elected President of the fourth regular session of the General Assembly. He is the first representative of an Asiatic country and first veteran of the recent war to become President. He defeated Dr. Clement, Foreign Minister of Czechoslovakia, by a vote of 53 to 5. The election takes place with a secret ballot and a simple majority decides the outcome.

Question: Who used the term "Peace Assembly" describing this fourth

Laboratory School Has New Equipment

Business Teachers Offer Opportunities Through Careful Training.

Mr. Buford Garner, supervisor of commerce practice teaching at Horace Mann laboratory school, has seven practice teaching classes this term.

Business Education Class 199 has been moved from the Administration building to the laboratory school to give the future teachers more first hand practical experience. Eight new typewriters and a supply of new text books have been received. The library has new volumes added, and Mr. Garner believes the department now has one of the best commerce libraries in the state. New courses added last year, office practice, advanced typing and business arithmetic, proved necessary for a good curriculum and will be permanent courses at Horace Mann.

Students Attend Seminars

Student teachers must attend the seminar every Wednesday at 4 p.m. They grade papers, give tests, and decide on the grades and promotions of the high school students.

Plans are being made for the practice teachers to spend some time visiting the business classes of another school in this part of the state. A dinner for them will be held at the dormitory the last part of the quarter.

Many Subjects Are Taught

Practice teachers this quarter are as follows: shorthand, Marilyn King, Grant City, and Allen Robb, St. Joseph; general business, Herman Freil, Redding, Iowa; Irving Silver, Trenton, New Jersey; and Gene Ceglinski, St. Joseph; typing, Marilyn King, Herman Freil, Gene Ceglinski, Irving Silver, Allen Robb and Don Prindle, Coffey. Don Richmond, Mt. Airy, Iowa, is doing practice teaching in office practice and bookkeeping classes.

Supervising teachers are Mr. Garner, Mr. Dale Blackwell and Miss Effie Morrey of the College business department faculty.

Pi Omega Pi Fraternity Initiates New Members

Beta chapter of Pi Omega Pi initiated ten active members, seven pledges, and one honorary member into the organization at 7 p. m., Tuesday, October 25, at the home of Mr. and Mrs. Dale Blackwell, 415 West First street.

The active members initiated were K. Jean Hansen, Mrs. Eva Reynolds, Helen Fisher, Herman Freil, James Hainey, Dorothy Howell, Marilyn King, Marion Sherrin, Irving Silver and Mrs. Winifred Pauline Neidel.

The new pledges initiated were Don Davis, Betty Stroud, Mahlon Hewitt, Joyce Smith, George Iddings and Betty Conrad. The honorary member was Miss Effie Morrey.

Other members and guests present included Norman Clouse, Frances Huntsman, Donald Kampman, Don Prindle, Donald Richmond, Thesis Robinson, Raymond Schuster, Dr. Sterling Surrey, Mr. and Mrs. Clifford Kensing, Mr. and Mrs. Buford Garner, and Miss Mabel Clair Winburn.

Entertainment and refreshments were enjoyed after the initiation ceremony.

Homecoming Attracts Former Vet Villagers

Several former residents of Veterans' Village returned to the campus for Homecoming activities. Among them were Mr. and Mrs. John Parham who visited friends here.

Vernon Weldmaier and son, Bill, attended the parade and football game.

Larry Zirbel and Bruce Peters were among the fans who watched the Bearcats defeat Cape.

Mr. and Mrs. Darrell Foster and Kenneth, of McCallsburg, Iowa, came Friday evening to visit Mr. and Mrs. Truman Geer of Vets' Village and remained to attend the parade and game.

Mr. and Mrs. Fred Hutchinson of Coffey visited Saturday with Mr. and Mrs. Keith Hutchinson of the village. They attended the football game Saturday afternoon.

Mr. and Mrs. Paul Butcher attended Homecoming and visited friends in the Village.

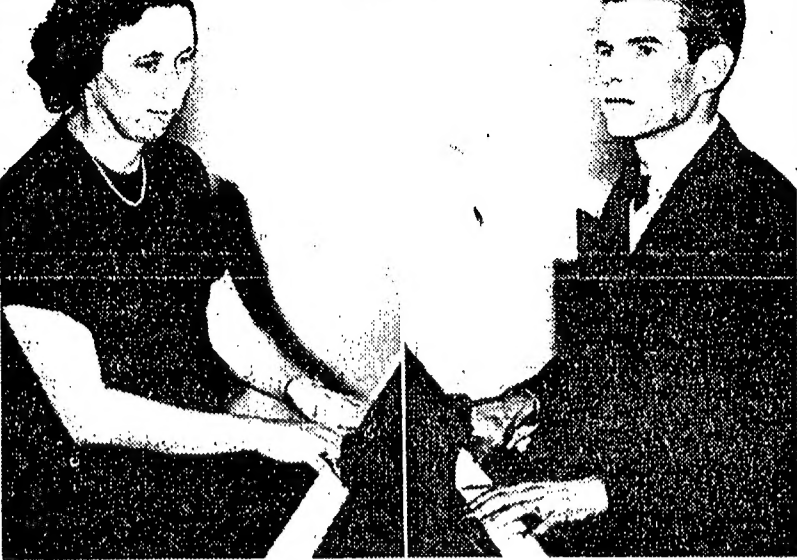

Missourian Staff Has Homecoming Luncheon

A Northwest Missourian luncheon was held Homecoming Day at the 71 Cafe, Herbert Ave and Jackie, editors, were hosts. John Harrison and La Ru Butler were in charge of arrangements.

Table decorations were in fall colors with a centerpiece of bronze and yellow chrysanthemums. Favorites were miniature pictures of the Administration building.

In addition to members of this staff, the following Northwest Missourian staff and their guests, the following alumni were present: Paul Gates, editor in chief in 1947-48, Stuart, Iowa; Miss Reva Jo Kerns, editor in chief in 1948-49, Malvern, Iowa; Larry Zirbel, sports editor in 1948-49, Bethany; Tommy Thomas, assistant editor in 1948-49, Oregon.

Duo Pianists Appear in Concert

RUTH M. MILLER DONALD SONNEDECKER

Miss Ruth Miller and Mr. Donald Sonnedecker, duo pianists of the College music faculty, were scheduled to give the second concert of the chamber music series, in the auditorium, last night. Their program included selections by Bach, Brahms, Milhaud, and others.

Biology Department Entertains Women

Faculty Dames Hear Talks About New Equipment; See Demonstrations.

Last Thursday afternoon the biology department entertained the Faculty Dames Club, an organization of the wives of College faculty members, with Mr. William T. Garrett and Dr. Irene Mueller and the students as hosts.

Following a short business meeting, a program was presented illustrating the junction of the biology department. This was done by two general methods. The first featured several students giving short talks on how work in biology was contributing towards their line of study. Margaret Teaford spoke about it in connection with her preparation to become a laboratory technician. Herman Hausheer talked of biology in pre-medic study. Mack Jackson gave consideration of how it is valuable in the agriculture field.

The second part consisted of the display of the equipment and facilities of the department. This included a demonstration of microscopic study where the women were given the opportunity to look at certain material through the instruments.

Also two films were shown, one on the life of the house fly and the other on plant growth.

Refreshments were served by Mesdames Garrett, Strong, Caulfield, Davis, Bishop, and Hake. White and gold chrysanthemums were awarded the guests as favors.

Peppers' Chili Luncheon Honors Former Members

A miniature football field was portrayed on the luncheon table when the Green and White Peppers entertained with a chili luncheon Saturday noon, October 29, at the Legion Home. The luncheon is an annual affair honoring the alumnae.

Goal posts were constructed of stick candy. Red and white stick candy was used for Cape Girardeau and green and white for Maryville. Miniature footballs of construction paper and pennants stuck in green gum-drops were used about the field. These were appropriately labeled with "Welcome Home," "Welcome Grads," and "Homecoming of 1949."

Jean Short was chairman of the decorating committee.

Weddings

Kowitz-Alexander

Miss Barbara Breit Kowitz, daughter of Mr. and Mrs. Julius F. Kowitz of Helena, and William Albert Alexander, son of Mrs. John A. Alexander of Prattville, Alabama, were united in marriage, October 23. Mrs. Alexander is a graduate of the College.

Schenkel-Workman

Miss Daisy Ruth Schenkel, daughter of Mr. and Mrs. Otis Schenkel, and Lester James Workman, son of Mrs. Lillian Workman, all of Maryville, were recently united in marriage. Mrs. Workman attended the College the past two years and is now teaching near Fairfax.

Engagements

Mr. and Mrs. Frank J. Worrall of Martinsville announce the engagement of their daughter, Corinne, to Randall N. Malone, son of Mr. and Mrs. W. J. B. Malone of Bethany. Miss Worrall attended the College this summer. Mr. Malone is a student in the College.

Mr. and Mrs. E. A. Stroeber of Macksburg, Iowa, announce the engagement of their daughter, Betty Jane, to Ross E. Johnson of Rock Port, son of Mr. and Mrs. J. E. Johnson of Stanberry. Miss Stroeber, a graduate of the College, is a commercial teacher at Villisca, Iowa. Mr. Johnson, a graduate of the College, is band director at Rock Port.

Sigma Sigmas Plan Country Club Dance

Annual Sorority Affair Will Use 'Snowfall' Theme Throughout.

The formal "Sigma Snowfall" will be held at the Country Club on the evening of November 19. Bob Tebow's orchestra will furnish music for the members of the Sigma Sigma Sigma sorority and their guests.

The decoration will be planned around the "snowfall" theme, with a huge cotton snowball hanging from the center of the room, and cotton snow men standing by each wall. The ceiling will be draped in blue, with silver stars shining through. There will be a snow scene mural on the third wall, and in front of the orchestra there will be a small snow-covered picket fence. Downstairs the blue and white theme will also be carried out.

Refreshments of frosty punch-licat will be served by candlelight. Those invited include President and Mrs. J. W. Jones, Mr. and Mrs. Uel W. Lamkin, Miss Martha Locke, Mr. and Mrs. Len Wilson; the Tri Sig patronesses and their husbands, Mr. and Mrs. Robert Foster, Mr. and Mrs. J. B. Robinson, Jr., Mr. and Mrs. J. Norvel Saylor, and Mr. and Mrs. Forrest Gilliam; the Tri Sigma alumna adviser and her husband, Mr. and Mrs. Gerald Stults; and representatives from the Delta Sigma Epsilon and Alpha Sigma Alpha fraternities, Phi Sigma Epsilon, Sigma Tau Gamma, and Alpha Phi Omega fraternities.

Miss Phyllis Crawford is general chairman of the dance. Those on her committee include Margaret Curry, Mary Jo Vernon, and Roberta Walker.

P. Ed. Teachers Are Guests at Coffee Hour

A coffee hour for the women's physical education majors was held at Browns' apartment during Homecoming. Margaret Berry, senior, and Roberta Berry, junior, poured. Kathryn Barman, Roberta Berry and Mary Booth, juniors, made cinnamon rolls to serve with the coffee.

The following guests attended: Lois Gorden, girls' physical education, Sedalia; Dorothy June Masters Vest, junior high English and physical education, McCallsburg, Iowa; Vee Oyler Bowen, girls' physical education, Centralia; Irma Jensen, girls' physical education, Albia, Iowa; Beverly Osborn Rizzo, health and home economics, Benton high, St. Joseph; Helen Richardson, girls' physical education, Oskaloosa, Iowa; Juanita Ford, girls' physical education, Cameron; Mrs. Gladys Baker, St. Joseph; Mrs. Lorene Summers, Agency.

The Misses Mary Evelyn Goodman, Jessie Julten, and Bonnie Magill were hostesses at the coffee.

Through the Haze

Come on into the student lounge, better known as the "Smoker," sit down, pull out a weed and watch the parade of college students and faculty members.

There are Guthland and Marple occupying two chairs and two cigarettes. Bernard McMillin, better known as Dr. McMillin, singing "Give the World A Smile." Ron Hargin giving a Jimmy Morgan program over his own special K.M.A. Max Kinney looking for someone with a cigarette. Ken England reading the morning paper and Don Kampman has the habit again, too. Forestry major, Bernard Brown, looking to see where all the smoke is coming from. Two basketball boys at the door see "Lefty" Davis and decide it is closer to the quad. A girl called "Dusty" talking to Jack Slack. Dr. Harr and Mr. White in a quiet conversation. Stud looking over his parlay tickets. Barb Munson, Ferne Williams, and Sergio Fries in for a quick one before class. Melvin Twaddell and John Daly speaking language known only to those who study physics.

Monty Pittner is here too. Martha Clymens and Jerry Shell. Joe Zelenz, representative from Waukegan. Terry Noah trying to inhale and receiving no assistance from Ruth. Mary Lou Rockwell saying hello to one of the Grace twins. But which one? Don Twaddell early for his two o'clock class. Here we go again. It's one of those Simmons boys. Things like that are so confusing. There's that bell. Just one more drag and I'll be with you.

Phi Sigma Epsilon Holds Informal Pledge Dance

The Phi Sigma Epsilon fraternity held its annual fall pledge dance Saturday night, November 5, at the Country Club. The dance was informal with plaid shirts and jeans as the dress of the evening.

Pledges, honored by this dance were Johnny Carlson, Bill Blohm, Bob Arthur, Ted Baldwin, Bob Brandt, Bill Pease, Truman Wilson, Bob Breit, Terry Noah, and Earl Brassfield.

The decorations denoted a fall theme; corn in the husks were hung from the lights, and candles in bottles were on the tables.

Refreshments consisted of apple cider, sandwiches, and potato chips served buffet style.

Chaperons for the dance were Mr. and Mrs. W. T. Garrett, Mr. and Mrs. John Taylor, and Dr. and Mrs. Frank Grube.

Alpha Sigmas Plan Pre-Christmas Style Show

The Alpha Sigma Alpha sorority is busy planning and preparing for a style show to be held sometime in the near future. Latest fall and pre-Christmas fashions will be featured. This show is being produced with the cooperation of the local merchants.

The committee in charge consists of Jean Short, Bill Edie, Doris Jean Hamilton, Marge McGee, and Joanne Wright.

Phi Sigs Have District Meeting

Members of Phi Sigma Epsilon fraternity are planning to attend a district meeting of the fraternity in Warrensburg, Missouri. The meeting will be held during Christmas vacation. Nu chapter of Maryville, Gamma chapter of Kirksville, and Iota chapter of Warrensburg are the chapters which will be represented at this meeting.

Service Projects Are Begun by Tri Sigmas

The members of the Sigma Sigma Sigma sorority have begun some of their service projects for the year. Peggy Ford, social service chairman, is in charge of all such projects. The girls are collecting all kinds of toys, such as dolls, clay sets, and roller skates which are to be sent to the children at Meyer General Hospital, Buffalo, New York.

A CARE package is also to be mailed during the month of November.

Reward Is Offered!

A twenty-five dollar reward will be paid to anyone supplying information leading to the arrest and conviction of those who stole the Homecoming flags!

---Student Senate

College Students Are Guests at Kirksville

When the Hickory Stick is to be the battle prize, Maryville and Kirksville rooters are always eager to be on hand. It was this old rivalry which prompted almost a hundred local enthusiasts to make the arduous journey to Kirksville. A bus load of Peppers, and numerous other people attended the game.

The buses left Maryville at 9 a.m. Friday. The game was not played until 8 p.m., an arrangement which gave the local people an opportunity to visit the campus of the Bulldogs. One of the most impressive sights was new Blanton Hall, a girls' dormitory.

After the game, an open house was held in the Kirksville gymnasium. It was sponsored by the Phi Sigma Epsilon fraternity and the Phi Kappa Sigma and Alpha Sigma Alpha fraternities.

Dance music was furnished by Bob Utterback and his orchestra and skits were presented at intermission.

Kirksville students were admirable hosts and their guests are eager for an opportunity to repay them for their hospitality. Special laurels are due Mr. Bill Speaks, president of the Student Senate at Kirksville.

Tri Sigmas Honor Their New Sorority Patroness

In honor of Mrs. J. B. Robinson, Jr., the new Sigma Sigma Sigma patroness, the members of the sorority will have a coffee hour November 30 at 7:30 p.m. at the Chapter House, 523 West Fourth.

Other patronesses who will be present are Mrs. Robert Foster, Mrs. J. Norvel Saylor, and Mrs. Forrest Gilliam.

General chairman of the affair is Marilyn Alexander. Other members of the committee are Barbara Robertson and Helen Joyce Moore. Decorations will be in the sorority's colors, purple and white.

Sig Taus Redecorate R Club for Chapter Room

Paint parties have been quite the thing with the Sigma Tau Gamma fraternity in recent weeks. After renting the old R Club for a chapter room the Taus went to work on a very neat job of redecorating. The room is now a light shade of blue touched off with a white trim.

An alumnus has donated a parachute that will serve as a false ceiling. With a little more work the Taus hope to claim one of the show spots of the campus and city.

We Bow

One headline which appeared in the last issue of the Northwest Missourian annoyed one fraternity a great deal. According to the article four alumni members of the charter organization, attended the Homecoming breakfast. The headline omitted the word charter! Bob Guthland, who helped prepare the meal, maintains that more than seventy alumni and actives were present.

Council Plans Fraternity Activities

The Inter-Fraternity Council is responsible for planning the activities of the two fraternities listed below. Standing, left to right, are Dr. John L. Harr, sponsor for 1949-50; J. D. Elliott, Kenneth Parsons, Glenn Meredith, Phi Sigma Epsilon; and Jack Slack, Sigma Tau Gamma.

Luncheon Honors Fraternity Alumni

Beta chapter of Pi Omega Pi, honorary commerce fraternity, gave a luncheon in honor of alumni Saturday, October 29, at 12:30 at the Christian church.

The fraternity colors, blue and silver, were carried out in the table decorations of blue, white, and pink chrysanthemums.

Norman Clouse sang and led the group in singing the fraternity song. Mr. Blackwell led in prayer. A welcome was given by the president, Don Prindle. Mr. Blackwell introduced the alumni present.

After the luncheon, Don Prindle played two Gershwin preludes.

Those present were the following: President and Mrs. J. W. Jones, Mr. and Mrs. Harold Neece, Mr. and Mrs. Dale Blackwell, Miss Effie Mae Morrey, Mr. and Mrs. Buford Garner, Don Richmond, Pat Richmond, Helen Fisher, Joyce Smith, Miss Mabel Clair Winburn, Frances Huntsman.

Thesis Robinson, Don Prindle, Marion Sherer, Betty Conrad, Norman Clouse, Don Kampman, Mrs. Raymond M. Barry, Jr., Lois M. Oursler, Lee Hoover, Mr. and Mrs. Curtis Hartley, and Jay Baker.

Ruth Holbrook, Frances Huntsman, and Thesis Robinson were on the committee for the luncheon.

Beta Chapter of Pi Omega Pi Entertains During Homecoming Day.

Theme of the day was "Safe Transportation of Our Children." Dr. J. W. Jones, president of the College, greeted the school bus drivers attending from all over the county.

A panel discussion concerning the bus driver and his schedule was led by Charles Meyers, superintendent of schools in Parnell. Participants included William Meek, superintendent of schools, Stanberry; Floyd Billingsley of Clearmont, county board member, and G. Frank Smith, superintendent of Holt county.

"The bus driver and pupil control" was discussed by Chester Scott, bus owner-driver from Albany, and by two students of Horace Mann high school, Twyla McFarland and Frankie Babb.

Following a luncheon at the Boys' quad cafeteria a panel discussion on bus standards was held by Russell Jones, superintendent of schools, Parkville; E. F. Allison, state high school supervisor, and Homer Bolen, state elementary school supervisor.

Driving on the highway was discussed by Sgt. Miller Asbury of the Highway Patrol and safety education, and Sgt. J. W. Whan, Highway patrol.

A summary of the discussions and display of the latest buses, safety materials, transportation records and forms concluded the day-long instruction.

Alpha Sigma Alpha Has Second Coketail Party

A coketail party was held in the Alpha Sigma Alpha chapter room in the Edward Gray residence on Wednesday, November 9. The party was held after the regular business meeting and celebrated the second year in the newly redecorated chapter room.

Each girl brought her own coke, and games and songs provided the entertainment. Last year a similar party was held which marked the end of the first year in the room.

Dance Club Attracts More Freshman Students

Mary Booth, vice president of the Dance Club, gave a talk in freshman orientation last week which has seemingly aroused new interest in the club. In the talk she pointed out the various functions of the organization.

Thus far, the members of the Dance Club have been working on conditioning exercises in preparation for creative work.

Receives News of Father's Death

Wanda June Boswell, freshman, was called to her home in New Point the first of last week because of the death of her father, Gilbert Boswell.

2,220 To Compete In Kansas Relays

Meeting the gang to discuss a quiz—a date with the campus queen—or just killing time between classes — the Dine-A-Mite Inn at the University of Kansas at Lawrence, Kansas is one of the favorite places for a rendezvous. At the Dine-A-Mite Inn, as in all college off-campus haunts everywhere, a frosty bottle of Coca-Cola is always on hand for the pause that refreshes—Coke belongs.

Ask for it either way... both trade-marks mean the same thing.

Intramural Commission Schedules Full Program for the Winter Term

Popular Events Focus Attention

Basketball League Play Will Commence Second Week of December.

Hoffman Heads Planning

Other Activities Include Swimming Meet December 15, Ping Pong, Co-Recreational Nights.

There's quite an interesting season of intramural play just around the corner. Beginning next month, basketball will be spotlighted; also focused will be the swimming meet, December 15, and co-recreational nights on Tuesdays and Thursdays. A little further in the future are ping pong, badminton, and basketball free-throw contests. Coach Dewey Allgood, intramural director, has planned this long list of events in which college students are enthusiastically invited to participate.

Governing the entire intramural program is the Intramural Commission, which this year is under the able direction of Chairman Don Hoffman. Assisting him are Clyde Johnson, senior representative; George Haws, sophomore representative; George Coulter, freshman representative; and Phil Tobin, representative-at-large. This commission and Mr. Allgood are responsible for the execution of all policies, and settle disputes and problems that may arise in any intramural situation.

Basketball Heads Program

Highlighting the program of events will be the popular basketball intramural tournament. Last year the Phi Sigs and the Independents slashed out a semi-final game for the first place honors, and the nod went to the Phi Sigs, indicating them as tops of the 23 individual teams entered in the tournament. On these 23 teams were a total of 240 players who participated in 276 games.

All games are played at the College gymnasium, Horace Mann gymnasium, and the girls' gymnasium. The national high school rules are followed, but the length of the quarters is seven minutes. Officials are assigned by the intramural and co-recreational sports director from his class of physical education majors taking a course in intramurals.

Be Ready Next Quarter

League play is planned to begin the second week of December. All team managers are requested to turn in a roster of their players. Specific dates will be posted the first week of school after vacation. Any group of fellows who want to play basketball, whether they have the ability or not, can enter this tournament.

Swimming Meet Is Soon

Another outstanding feature of the intramural program is the swimming meet which will be held December 15 at the College pool. Included in the listed events will be the forty to two hundred yard swim races, the diving contests, the medley relay and the regular relay. There is no discrimination as to who can enter; all are invited to match their abilities.

This will be the third year testing the popularity of the intramural and the co-recreational nights. Since 1947, when the program was first introduced under the intramural and co-recreational sports department, students have found this phase of the physical education department most enjoyable. As many as 175 students have participated in a single evening of "Play Nights," just one of the 16 varied activities.

The Water's Fine! You'd Like a Swim

Sigma Phi Dolphins Make Pool's Best Customers So Far This Year.

It has been discovered that the Dolphins use the swimming pool on Thursday evenings before intramural swimming. This fact should interest the boys, and the girls who have men had better be checking up to see where they are on Thursdays. If your man isn't there, the life guard, who lives in Quad 3, will be glad to help you if you go in, and he is a good conversationalist if you don't decide to join in the fun. The Dolphins have quite a few girls who look good in bathing suits; they can swim, too.

There has been much complaining around the campus that the exercises in physical education are leaving some sore muscles. Swimming is the best way for using the muscles, and it doesn't overwork them either. How about coming down to the pool and taking the kinks out?

ALL GAMES

	W	L	T	Pct.
Rolla	5	2	0	.760
Maryville	5	2	1	.410

Cape Girardeau	2	6	0	.250
Kirkville	2	7	0	.222

Rolla Miners Are New MIAA Conference Champs

The Rolla Miners, under the able direction of Coach Gale Bullman, are the new undisputed champions of the MIAA conference. Being undefeated in five conference games, Rolla regained the title lost in the 1948 season to the co-champions, Springfield, and Maryville.

Opening season play for the Miners predicted a gloomy conference record, but Bullman's boys retaliated after losing to Pittsburgh, Kansas, 27-7, and to Washington U., 13-7, to run up a winning streak of six straight victories.

Shurtleff College was the first victim of Rolla's rolling offense on October 1, 56-0. Opening conference play pitted the Miners against Maryville, and the Bearcats were beaten 41-13. Although very submissive in defeat, Maryville was the only conference team to score two touchdowns against the champions; these two six point tallies, incidentally, were scored before Rolla had chalked up a point.

Warrensburg next felt the Miners' wrath at 31-0, and Kirkville fell stubbornly 26-6. The most strongly rated team in the conference, the Springfield Bears, were downed easily, 33-7, and a clinching score over Cape Girardeau ended conference play.

Kirkville Succumbs 27-20 to Maryville

Bearcats Retain Hickory Stick With Decisive Win Over Rivals.

A visiting Maryville team out-pointed the Kirkville Bulldogs 27-20, November 4, in a MIAA conference duel to retain possession of the coveted Hickory Stick for the third straight year. Facing a seven point deficit at the end of the first period, the Bearcats came from behind to score three touchdowns in the second period and one more in the third to win their second conference game.

Kirkville scored first in the opening period from the Maryville 29 yard line. Off of a T-formation Quarterback Darrel Gourley faked the ball and skirted his own right tackle to score standing up. Dale Albrecht kicked the point. Kirkville led at the quarter 7 to 0.

Bearcats Mix Plays
Maryville began its domination late in the first quarter. Norman James scored on a line play from five yards out on the first play of the second period. The Bearcats had wound up the first quarter by mixing passes and ground play from its own 25 line.

The Bearcats scored twice more in the second period after fumbling four times deep in Kirkville territory. Kirkville recovering three times.

Score on Pass Plays
The Bulldogs fumbled on their own 23 line and Maryville recovered. On the next play, Gerald Weed, left end, took a pass from the quarterback for the second Maryville touchdown.

John Yurchak, Maryville left end, took a pass from the Kirkville 14 yard line to score. Don Hoffman kicked the first three extra points. Maryville led 21 to 7 at half time.

Maryville's last score was in the third period on a pass to Norman James from the Kirkville 19. Hoffman's kick was blocked.

Kirkville Rallies
An intercepted pass started Kirkville on its way to a rally in the fourth period. Linus Dowell grabbed an attempted Bearcat pass on his own 40 line. The Bulldogs put on a drive with Halfback Stan Serwetka going over from the five line. Maryville blocked the kick for extra point.

When Maryville fumbled the kick-off, the Bulldogs recovered on the 19 line. Three plays later Kirkville sent Fullback Clyde Ransom over from the 3 to make the score 27 to 20.

Senior Gridders Play Final College Game

Pictured above are the seniors who played their last college football game, Friday, against the Warrensburg Mules. Standing, left to right, are Clyde Thompson, Bob Osburn, Phil Carter, Warren Gresham, Al Wormsley, Norman James, Marvin Weed, and Don Hartness. Kneeling are Pete Younger, Bill Coulter, and Pat Zuchowski.

... Random Shots ...

Bearcat line play was outstanding during the Indian fracas. The Weed brothers pooled their talents at the ends to stifle opposing thrusts. Throughout the encounter, Chuck Graham and Wilbur Pollard solved Cape's offense efforts from the line-backing positions. In the center of the front wall Don Hartness, Joe Gardner, John Hellerich and Whitey Meyers gave top seasonal performances. Pete Younger called defensive signals from his line slot. After the first quarter the gridders began to find holes in Cape's defense. Every player up forward was a star before the capacity Homecoming crowd. Both the offensive and defensive contingents engineered a solid game of football.

Pollard's all around play, a great offensive pivot and consistent defensive performer; the slants of Hemenway, a field general with ability; and Don "The Toe" Hoffman's points after TD's, booting five for six—an inspiring Homecoming victory before 3,000 fans in Memorial Stadium.

The outstanding players in the Bearcat-Indian Game were named at the Homecoming Dance. Receiving trophies were the following: back, Norman James; lineman, Wilbur Pollard. James was the consistent Maryville ground gainer on offense, and Pollard knifed through the Cape line to scalp Indian backfield players throughout the game.

Walt Stanton, Bearcat halfback, was injured while throwing a vicious tackle during scrimmage for the Cape game. Although the junior took a hard knee in his head, he improved enough to see the Homecoming tussle. One of the shorter gridders on the squad, Walt has played consistent ball during each encounter. He earned his initial M numeral in football last year.

Homecoming grid highlights: the work of Norm James who played a brilliant offensive game; Glenn Sherry's elusive running and steady defensive efforts; "Big John" Hellerich's vicious tackling on defense; "Choo-Choo" Graham's interception of an Indian aerial and circling skirt to the one yard line, while being tackled; Burt Richey's strike to Pat Zuchowski, deep in Cape territory, and his pass to George Coulter for a score; Wil-

Dean Knodle

Maryville Thrashes Warrensburg 40-12

Bearcats and Springfield Bears Tie For Second Spot in Conference.

Coach Ryland Milner's Bearcats climaxed the 1949 football season with a decisive smash win over the Warrensburg Mules, 40-12, last Friday, November 11. This victory gave Maryville a second place tie with Springfield in MIAA standings, and a conference record of three wins, one loss, and one tie! Marvin Weed, fullback, made three touchdowns by plunging. Norman James made two touchdowns, one on a run and the other on a long pass, and Paul Tobin took a lazy pass for

another touchdown. Don Hoffman converted four out of six placements. Two Warrensburg fumbles and an intercepted pass set up three Maryville touchdowns. Wen Webster and E. Thompson scored for Warrensburg in the last quarter as Maryville reserves finished the game.

Bearcats Score in 6 Minutes

Getting the ball for the first time after the kickoff Maryville scored in six minutes, going 70 yards on a sustained drive. Marvin Weed, fullback, went around the left side of his line for the last 9 yards. In this advance Quarterback Alvin Wormsley skirted his left end for 21 yards.

Warrensburg soon was in the hole when a punt went out on the Mule 39. Maryville scored in three plays. Wormsley lateraled to Norman James, halfback, for 14 yards. Weed punched for six on a buck and on the next play he skirted right end for the remaining 19 yards. Don Hoff-

BASKETBALL SCHEDULE 1949-50

Dec. 3—Buena Vista—Here.
Dec. 6—St. Benedict's—Here.

Feb. 24—Cape Girardeau—There.
Feb. 25—Rolla—There.
Rockhurst Tournament Dec. 8, 9, 10.
Washburn Tournament Dec. 20-21.

spread play. Weed drove 9 yards and on the next play went nine yards around right end for another touchdown. He received good blocking. Hoffman's kick for extra point was blocked. Maryville led 20 to 0.

There were 7½ minutes left and Maryville scored two more touchdowns before the quarter ended. After the kickoff Norman James intercepted a Mule pass and returned it to the Warrensburg 31. A 5 yard Mule penalty and two plays gave the Cats a score. Thompson charged for six yards. The Mules were penalized 5 yards. James then went through left guard and tackle, cut to his left and bowled over would-be tacklers for the remaining 20 yards for the touchdown. Hoffman converted.

There were three minutes left, which proved exciting. The Mules took the kickoff on their own 11 line and got to the Maryville 25, mostly on penalties, and Marvin Weed was banished from the Bearcat bench for remarks to Referee Bob Miller. It was his last game.

In the third quarter Richey fired a 52 yard touchdown pass to James. Hoffman's kick for the extra point was blocked. The Mules scored twice in the fourth quarter.

Bearcats Open Basketball Season, December 3, Against Buena Vista

Schedule Gives Maryville Eighteen Games, Ten Home Contests, New Washburn Tournament; Pittsburg, St. Benedicts Are Second and Third Rivals.

By George Dunlap

Coming up with a sneak preview of the 1949-50 basketball season, we find the Bearcats playing eighteen games as compared to last year's sixteen encounters. It is also interesting to note that no less than ten of these games are to be played on the Cats' home court.

In comparing this year's opponents and last year's schedule, we find three new enemies and only one team dropped from the schedule. The first new rival will be Buena Vista who will invade Maryville, December 3, to open the Bearcat season. Pittsburg, from Kansas, that is, will journey to Maryville to engage the Cats, December 17. Another Kansas team, Fort Hays, will play host to MSC for two games, December 30 and 31, and will play a return engagement here January 9. William Jewell is the only team dropped from last year's card.

Remember December 6!

One contest should provide plenty of thrills for the fans. If it is anything like last year's encounter with this same team, St. Benedict's will come to meet the Bearcats on the Cat's hard court December 6. St. Benedict's will be trying to make up for two losses to the Cats last season. Both of last year's contests were close with the Bearcats on top 44-42 and 53-49. Write this date down in your little black book.

Another high point of this season will more than likely be the MSC invasion of Nebraska University, December 7. The Cats will be out to avenge last year's defeat at the hands of the Cornhuskers who will be trying for a repeat performance.

Will Meet Rockhurst

The Rockhurst tournament has been set for December 8, 9, and 10 this year. In last year's tourney the Bearcats came home the champions and this year, with but three

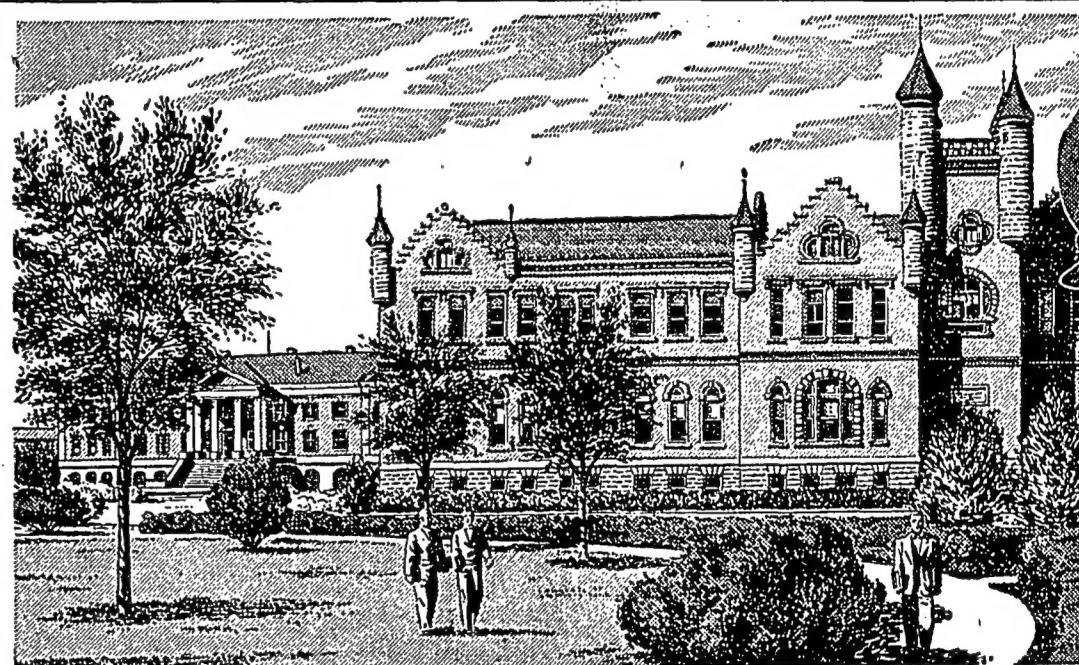

games under their belts, the boys from Maryville will be giving their all to successfully defend the title. A new addition to the tournament schedule is the Washburn Tourney, December 20 and 21. Last season the Bearcats traveled to Enid, Oklahoma, for their second bid for a tournament championship, but lost out in the finals to West Texas State. The lads who were the Green and White of MSC figure there is always room for another trophy in the award cabinet and will be eager to bring one home from Washburn.

Conference Play Begins Soon

The Cats will be out to raise their position in conference play also this year. The final standings of the MIAA proved unfavorable to the Bearcats who will have a good chance to finish higher this year when they have ten conference games. Conference play begins January 14 against Springfield on the Bearcats' home court.

At the present time the Maryville hardcourt prospectives look good with some of the fresher turnouts showing promise. Coach Milner does not wish to commit himself, however, as to just how the squad will shape up until after the football boys report for practice.

Students will be glad to note that reserved seats may be obtained by presenting an activity ticket and paying an extra fifteen cents.

Major Norm Hays, Oklahoma A&M, '40 - Aviation Executive, U.S. Air Force!

A native of Grove, Oklahoma, Norman Hays graduated from Grove High School in 1935. The following year he entered Oklahoma A&M, where he majored in engineering; also took public speaking.

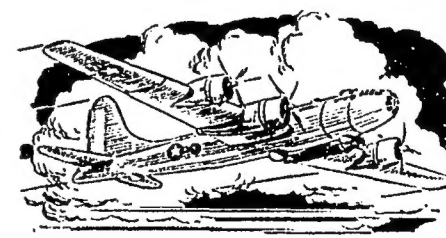

Active in national 4H Club work while in college, he helped organize its statewide activities, won a national 4H championship in Public Speaking. In 1940 he received his BS degree in engineering.

A month later he began navigator training as an Aviation Cadet. In 1941, he received his navigator's wings and a commission as Second Lieutenant... married his college sweetheart.

Sent to an RAF Navigation School in Canada, he graduated with the highest possible rating of Specialist. Norman served overseas for 18 months in the Aleutians, Italy and Saipan.

Accepting a regular commission after the war, he was assigned to development of navigation instruments; navigated the B-29 "Pacusan Dreamboat" on its famed Hawaii-Cairo non-stop flight in 1946.

Typical of college graduates who have found their place in the U. S. Air Force, Major Hays is Chief, Navigation Section, at Headquarters in Washington... with a secure career... a promising future.

If you are single, between the ages of 20 and 29½, with at least two years of college, consider a flying career as an officer in the U. S. Air Force. You may be able to meet the high physical and moral requirements and be selected for training. If you do not complete Aviation Cadet training, you may return to civilian life or have opportunity to train for an important officer assignment in non-flying fields.

Air Force officer procurement teams are visiting many colleges and universities to explain about these career opportunities. Watch for their arrival or get full details at your nearest Air Force Base, local recruiting station, or by writing to the Chief of Staff, U. S. Air Force, Attention: Aviation Cadet Branch, Washington 25, D. C.

U. S. AIR FORCE

ONLY THE BEST CAN BE AVIATION CADETS!
